

2011-2012 Policies and Procedures

- Please do your best to arrive on time to class. It is a distraction when children arrive late. If you do arrive late, it is proper etiquette to wait until the music is finished playing before allowing your child to enter.
- **PROPER DANCE ATTIRE** is required for all core classes of ballet, tap and jazz. This includes tights and leotards for the girls. Also, hair should be away from the face. Tan tap shoes are required and are available for order. Pink ballet slippers (SHOES) are to be worn by the girls, black by the boys.
- Hip-Hop, Poms & Contemporary classes may be a bit more lenient in attire. Shorts or leggings, and shirts may be acceptable, but it is up to your instructor.
- Ballet & Pointe Classes (NOT CORE – but intermediate and advanced) will require either black leotards and pink tights or the Stars Studio Competition Team Leotard and pink tights with your hair in a bun.
- Please do not drop off your children more than 10 minutes before their class time.
- All parents are responsible for their children in the waiting areas. This includes the noise level. Stars Studio would like to keep the atmosphere conducive to learning. It is never acceptable to RUN in the hallways, or play hide and seek. We have the television, or feel free to bring a book, game, or video game to occupy them. We also offer wireless internet.
- **NO FOOD OR DRINK** outside of the bistro area. **PLEASE DO NOT TAKE FOOD OR DRINK INTO THE DRESSING ROOMS!**
- **PLEASE – NO CHEWING GUM!!!**
