OFFICE NOTES:

 **Stars Studio** 2021-2022 Policies and Procedures

Dancer(s) Name(s): \_\_\_\_\_

Please initial each item below and sign at the bottom (one per family). By doing so, you indicate your understanding of the following payment policies at Stars Studio:

**TUITION PAYMENTS:**

\_\_\_\_\_ There will be **9 months of tuition due, per dancer, at the regular rate**. Monthly tuition is **SET**. For instance, if your child has class on a Monday, there may only be 3 Monday classes that month (September, 2021) However, in a given month, there may also be 5 Mondays (January, 2022)—and we do not charge “extra” for that month. **Tuition is a fixed monthly cost**. Make-up days for inclement weather are at the Director’s discretion. **In the event the studio is mandated to close for a period of time, virtual classes will take place at the classes regularly scheduled time. Monthly tuition will still be due.**

\_\_\_\_\_ ALL TUITION PAYMENTS ARE DUE BY THE **1<sup>ST</sup> OF THE MONTH** If payment is not received before the **7<sup>th</sup> of the month** (grace period), a **\$25 late fee** will be due, in addition to tuition. *Each month subsequent* that the tuition is in arrears, **an additional \$20/month late fee will be applied**. I agree to pay tuition the 1<sup>st</sup> of each month, and understand as long as classes are in-person (vs. virtual) that I need to fill out a Stars Studio Covid Release & Declaration each month (until no longer deemed necessary), and turn in with tuition payment (or send in with dancer) Stars Studio will send out monthly e-mail reminders about tuition, as well as the release/declaration!

\_\_\_\_\_ If tuition is not received by the 7<sup>th</sup> of the following month (i.e. January tuition is not received by February 7<sup>th</sup>), we will ask your child to observe class by sitting in the classroom. Your child will not be allowed to dance until all tuition payments are up to date. If this happens, we ask that you still bring your dancer to class, as their absence affects the choreography of the entire class.

\_\_\_\_\_ **Even if your child does not attend class for the first week of the month, it is your responsibility to either mail in a check, or contact our office to make a credit card payment.** Or VENMO @DanceWithStars

\_\_\_\_\_ Please **DO NOT** ask us to pro-rate your tuition if your child is sick or unable to attend class. We realize mandatory school activities come up, but we cannot and will not pro-rate tuition. Our staff is available to conduct class each week, therefore we will not pro-rate any month of tuition.

\_\_\_\_\_ All core classes have time “built in” for snow days, etc. If the amount of snow dates becomes excessive on a particular night, Stars Studio will add-on to the calendar. This is solely at the Director’s discretion and most likely will not be decided upon until April.

**WITHDRAWING/DROPPING CLASSES/ATTENDANCE**

\_\_\_\_\_ If, for any reason, your dancer “drops” from a class, it is **YOUR** responsibility to let us know your intentions **IN WRITING**, otherwise, we will continue to charge for subsequent months. **I understand I can, and will, be held liable, for monies owed prior to withdrawal letter being sent. Your account will be sent for collections, and legal action may ensue.**

\_\_\_\_\_ ALL payments are **NON-REFUNDABLE**. If your child drops **after the 1<sup>st</sup> of the month**, any tuition payments made will **not be refunded**.

\_\_\_\_\_ **We ask that you please speak with your dancer about the word COMMITMENT. Once a recital costume is ordered, there is no refund.** This generally means that the instructor for your dancer’s class has most likely started choreography for the recital. If your dancer is absent, for any reason, it affects the entire class (partner work, formations, etc.) **Obviously, if your dancer is not feeling well, and is possibly contagious in ANY WAY, please refrain from bringing your dancer.** However, if your dancer has an injury, and cannot physically participate in dance (i.e., broken arm, stitches, etc.), we still ask that you bring your dancer to the class so that they can sit and observe the class, as well as stand-in for formations, etc.

\_\_\_\_\_ Referral credits will be given in January, 2022, assuming the referral is still an active dancer at Stars Studio. Referral credits will be in the amount of \$50.00 for the first dancer (family) referred, and \$25.00 for each dancer after that. We appreciate your referrals, and we enjoy rewarding you for them!

**RECITAL PAYMENTS (Applies only if recital happens as planned, at our venue. Other arrangements may be necessary, in which case all changes will be communicated in subsequent e-mails)**

\_\_\_\_\_ All recital payments are **NON-REFUNDABLE**, including costume payments and the \$100.00 production fee (per family).

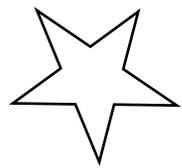

\_\_\_\_\_ Each family will receive 6 tickets to the recital and one program with the \$100 production fee (**due 4/23/22**). This also includes production costs (props, lighting, staff, venue rental – including rehearsal nights, etc.) More tickets may be purchased while they last for \$15.00/ticket. Additional tickets must be **PAID IN FULL** to be reserved.

\_\_\_\_\_ If your child dances in our recital one night, you will automatically receive all 6 tickets on that night. If your child(ren) dance in multiple shows, tickets will be reserved on a "first-come, first-served" basis based on the date the production fee is paid. Tickets can **ONLY** be reserved if the production fee is **PAID IN FULL**.

\_\_\_\_\_ Our recital is **OPTIONAL (excluding competition team members)! Your child will be unable to participate in the recital rehearsals and recital if your account is not up to date IN FULL BY MAY 1, 2022 (including, but not limited to tuition, late fees, costume fees & production fees)**

 **2021-2022 Policies and Procedures Highlights**

- \*It is imperative that parents be prompt for drop-off and pick-up times!
- \*Stars Studio is not responsible for lost or stolen personal items. Please consider leaving anything of value at home!
- \***PROPER DANCE ATTIRE** is required for all core classes of ballet, tap, and jazz as well as lyrical/contemporary. This includes tights and a leotard for the girls, with their hair up, and out of their face. **Tan tap shoes** are required for the recital, and available for order. Pink ballet shoes (NOT BEDROOM SLIPPERS) are to be worn by the girls, black by the boys.
- \*Hip-hop and Poms may be a bit more lenient in attire. Shorts or leggings, and shirts are acceptable, but it is up to your teacher.
- \*All entrance doors to the studio will be locked at all times (they can be open from the inside in the event of an emergency). Doors will be opened by staff EXACTLY the scheduled time of your class. In the event of rain, please send your dancer with an umbrella...we are not able to open the doors until the EXACT class time.
- \***Please be ON TIME to pick up your dancer when class is over.** We are not a babysitting service! This is IMPERATIVE to limit exposure in the waiting rooms, and it is very hectic taking temperatures, etc. when other classes are arriving. We have to have this down to an exact science. Your cooperation is not only appreciated, *it is imperative to our success!*
- \*I acknowledge receipt of Stars Studio Covid Precautions, Covid Release & Declaration (CRD) and understand all policies and procedures are subject to change as conditions warrant. I understand that Stars Studio will communicate through e-mail, and commit to checking my e-mail daily.
- \*I agree to pay tuition the 1<sup>st</sup> of each month, and understand as long as classes are in-person (vs. virtual) that I need to fill out a Stars Studio Covid Release & Declaration (CRD) each month, and turn in with tuition payment (or send in with dancer) Stars Studio will send out monthly e-mail reminders about tuition, as well as the release/declaration (CRD)!
- \*I understand, and will adhere fully to, all parking policies set forth by both Stars Studio & Ashbury Courts.
- \*Your dancer(s) is not considered registered until all of this is understood, signed and agreed upon.

★ ★ **Studio JULY 2020 TESTIMONIALS**

\*\*\*My daughter has been a student of Stars Studio since 2014. From our very first day at Stars, she and our family felt warmly welcomed and included. Stars is family owned and operated, and the love and care they have for their students shows in so many ways. My daughter has grown up at Stars. She has continued to progress in her love of dance and skill level every year thanks to the expertise, diligence and commitment of her teachers. During studio closures due to COVID-19, Stars Studio went above and beyond, doing weekly virtual check ins with members of the Dance Team. Their care and concern for the girls' emotional, mental, and physical state touched this parent's heart in a way I still can't fully express. Once a Star, always a star. *Parent of a 15 Year Old Dancer*

\*\*\*Stars Studio is truly one of a kind. There is no other place I would rather have as a second home! The lengths this studio has gone for each and every one of their students and parents is absolutely amazing! All of the staff, from the director down to the teachers, care for your child/children as if they were one of their own! It's hard to find good people with genuine intentions these days, so, come and join the Stars Studio family! *Selani's Mother*

\*\*\*We have enjoyed each and every experience that Stars Studio has provided for our daughter. Even though "normal" activities ceased during the pandemic, the team made every effort to keep our daughter dancing. This was just what our family needed! We look forward to continuing to keep our daughter dancing at Stars Studio!!! *Mother of Avery Simone Andrews*

\*\*\*Stars Studio has completely transformed my daughter's skills in rhythm and dance! She has also learned a heightened level of dedication and responsibility, as a result of the care and hard work Stars Studio puts into its dancers! *Mother of a 7 Year Old Dancer*

\*\*\*My girls just love Stars Studio. The staff and teachers are so patient and wonderful. The studio took great precautions when opening back up after the Coronavirus shut-down, and I feel safe leaving my two young girls there. *Mother of 5 and 7 Year Old Dancers*

\*\*\*Thank you Stars Studio for everything! They made my daughter's year fun and exciting - even in the face of social restrictions, they provided ways for her to continue dancing at home. We were so happy when the recital (virtual) finally came to fruition. We look forward to next year! *Mom of a 6 Year Old*

\*\*\*My girls just love going to Stars Studio for dance. My eldest daughter has been a dancer at Stars Studio since she was five and counts the girls she dances with as family. As part of the competition team, she has learned discipline, grit and the importance of being a great sportsman. She looks up to the older girls on the team and sees the choreographers/teachers as mentors. She works hard so that she does not let the team down and it is that team spirit and grit that makes this studio more than just a place for dance, but a place for daughters to grow in strength, commitment and spirit. I am grateful that my daughters have a dance home and look forward to many more years of growth and grace. Thanks Stars Studio! *Mom of 6 & 11 Year Old Dancers*

\*\*\*My 3 girls have been dancing at Stars Studio for years now. We all love the family environment that the studio has, the professionalism of the instructors and all the effort they put not only to teach our kids but to enjoy every class.

*Mother of Isabella, Chloe and*
